RE: September 20, 2007 Colorado Open Records Act ("CORA") request to Colorado Secretary of State Mike Coffman.

Dear Mr. Kolwicz:

This letter is written in response to your CORA request to Secretary of State Mike Coffman dated September 20, 2007, a copy of which is attached.

Pursuant to 8 C.C.R. 1505-12, rule 4, in the case of any request requiring more than one hour of staff time for search and retrieval, or for supervision of inspection or copying, the Secretary may charge a reasonable hourly fee for such staff time, and may require the applicant to pay a deposit equal to the estimated fees that will be charged prior to performing any services necessary to respond to the request. More than one hour of staff time will be required to respond to your September 20, 2007 CORA request. You will be required to pay a deposit equal to the estimated fees that will be charged prior to the Secretary performing the services necessary to respond to your request. However, in order for the Secretary to provide you with the estimate, several items in your request require clarification.

In particular, please clarify your request numbers A(8), A(9) and A(10). Particularly with regard to request A(10), please clarify whether you are seeking to inspect county security plans. This will greatly impact the estimated fees as there are a multitude of county security plans which would need to be pulled and reviewed. Additionally, please clarify your request number C(2) with regard to the meaning of "test case library." Also, please clarify your request number C(o) and its sub-parts.

Once you have clarified the above, I will provide you with an estimate of the fees to be charged for your requests. We will establish a date for inspection after you have provided the required deposit.

Sincerely,

FOR THE ATTORNEY GENERAL
