RE: 2003 Mail Ballot Election Plan

Linda,

Attached and pasted below is an Open Records Request.

We have been forced once again to resort to this method of obtaining public documents from the Boulder County Clerk because of repeated failure of the Clerk's office to respond to our requests.

- On June 18 and on August 4 we politely asked to be included in the planning for Boulder County's 2003 Mail Ballot Election.
- On August 13 we demanded that the public be included in the planning for the 2003 Mail Ballot Election, and that the problems reported in CAMBER's critique of the 2001 Mail Ballot Election Plan be addressed.
- On August 21 I personally placed in your hand a copy of the August 21 demand.

Three months have passed. Having heard absolutely nothing from you, we are now again forced to invoke Colorado Law to protect the peoples' rights under our state constitution and their right to vote.
